Turist Asociacion of principality Diano Marina - Sanremo, together with „Liguria Travel“ - member of the International Dance Council CID, Paris - UNICEF, are organizing an world folklore festival Diano Marina 2020 - Sanremo - Cannes.

This festival is one of the best and the most numerous festivals held in Europe and the world. It is the best because of the selected top ensembles from the participant countries.

Due to extremely high interest of the folklore ensembles from all over the world, we are forced to organize the festival in both the spring and the autumn.

The program applies to both terms.

All ensembles have four performances, defile in center of Diano Marina,

performance on stage, performance in the center of Sanremo and performance on the world-renowned Promenade de la Croisette in Cannes.

Because of the great interest for participation on this prestigious festival, the organizer is forced to organize the festival in three terms - in total 45 ensembles in the spring; also 45 ensembles will be present on the festival in the autumn program of the festival.

All folklore ensembles from all countries of Europe and the world can apply for participation in this world festival without limit on age or number of the participants.
